March Letter from the President

March means March Madness where many will watch college basketball, the brackets, the upset and the excitement when their team wins. I prefer to think of March as an end. An end to the darkness. An end to winter. I get excited about climbing temperatures and budding trees. After being stuck inside because of cold weather and to keep us all safe from spreading COVID, we are excited to get back out and to make a difference.

We have already started the year by making a big impact by signing and delivering valentines to a retirement housing, by meeting at monthly socials and by donating a check to the city of Lake Elmo (and meeting the new Mayor). I know we are just starting, and we have an even bigger impact to make. These are truly unique times.

The COVID-19 pandemic may be the biggest challenge we have faced. And yet, amid it all, I know we will have a great 2021. Every day, I am inspired by you. Your positive attitude, the willingness to do whatever it takes to move forward, and the sense of compassion and responsibility of our team. Thank you. Cannot wait to see you soon again.

Transform Our World

The United Nations, along with JCI have worked together to come up with 17 goals to make our world a better place. Here are the goals.

As discussed at our March Chapter meeting, by giving the check to the Woodbury school kind of helps with #4.

What else have we done, and what else can be done?

More discussion to come at our April chapter meeting.

Confident Learning Center Camp Clean-Up

JCI MN Confidence Learning Center Camp Clean-Up is April 30-May 2.

Confidence Learning Center is a camp that has been helping people of all ages with cognitive and developmental disabilities. It helps them to get away and feel more like a normal family for a weekend. As Jaycees, we are invited to help clean camp and get it ready for families this 2021 year.

Look for more information from JCI MN Facebook event or email CDVP Bryan if you would like to help.
